## North West Branch Point Score System 2017-2018

1<sup>st</sup> July 2017 - 30<sup>th</sup> June 2018

**All participants MUST be a current member of both the Australian Stock Horse Society and the North West Branch to enter and participate in the point score. Points can only be accrued from the date of payment of point score nomination. A charge of \$5 per horse/rider combination is payable.**

**Please note members, in order to compete and have your horse eligible for competition, IT IS YOUR RESPONSIBILITY TO ENSURE THE CURRENT OWNER OF THE HORSE IS A FULLY FINANCIAL MEMBER WITH HEAD OFFICE PRIOR TO ATTENDING AN EVENT. It is not the committee's duty to ensure you are able to compete at any event.**

All under saddle performances must be attained in classes open to all breeds, or those restricted to registered Australian Stock Horses. Led class points can ONLY be taken from Australian Stock Horse classes.

Rider classes, Horsemanship events, Progeny/Owner groups, Pairs Events, Handler or other breeds ANSA, AQHA etc are not acceptable to gain points.

In the event of a horse attaining an equal or divided placing in an event, the points relevant to the highest place will be awarded e.g. equal first will still be given 5 points.

Only performances attained in the period from 1<sup>st</sup> July 2017 to 30<sup>th</sup> June 2018 will be accepted. Performance records are to be in the hands of the Branch Secretary by 31<sup>st</sup> July 2018. You can and are encouraged to send your points in as you receive them. Copies of the log can be obtained from the Branch Secretary, the website or photo copied from the original.

There is no limit to the number of horse/rider combinations a member may enter in the competition.

Junior riders are only eligible for Junior Point Score and NOT senior point score.

If they are competing in open classes then those points can be allocated to an open category.

Pony club, school days etc will only count for their age group and the sporting section.

Performance sheets will be rejected if the performances have been altered or are illegible. The onus is on the member to get her/his performance records to the Branch Secretary within the appointed time. Late sheets will not be accepted. Any member submitting false points will face disqualification. Random checks may be made to show societies or competition organizers for records.

All winners in the Annual Point Score Competition will be notified by mail/email or phone as soon as possible following the competition year. The prizes will be handed out at the presentation night (date to be advised).
